2nd Annual "Mile in My Shoes Day" Thursday, March 19, 2015

"Mile in My Shoes Day" is an event in which community leaders, elected officials, and/or interested individuals are invited to spend "a day in the life of" a person with a disability. You will have the opportunity to spend your work day with a challenge of your choosing, then join other participants and Advisory Council members to share your thoughts, insights, and discoveries. We hope this will shed light on the issues our friends with disabilities face everyday, thereby promoting understanding and awareness. We will invite the local media to observe and report on your feelings before and after your day.
